

Primary MFL Conference 2025

6 November 2025

Following last year's popular and successful inaugural primary conference, we are delighted to present this fantastic opportunity to engage in a day of collaboration with Hampshire primary MFL leaders, as we focus on the development of an accessible, exciting and engaging MFL curriculum.

Kerry Yates, HIAS MFL Adviser and experienced language teacher and leader will be joined by Paolo and Francesca Pini from **Language Angels** and Astrid Dinneen and Claire Barker from Ethnic Minority and Traveller Achievement Service (**EMTAS**). We are also looking forward to input from current primary language leads from Hampshire schools.

The conference will consist of a series of mini masterclass sessions, relevant to those colleagues new to the role, as well as those with more experience. In addition, this is an excellent opportunity to network and share ideas and resources with colleagues throughout the day.

Mini masterclass sessions to include:

- a strong start – practical ideas for lower Key Stage 2 primary languages
- fostering creativity in languages
- using songs, stories and games with Language Angels
- the Young Interpreters Scheme – celebrating EAL pupils (Astrid Dinneen)
- planning and leading for the new MFL leader*
- quality assurance and supporting non-specialist colleagues.*

*Delegates will be asked to select one of these sessions in advance.

Learning outcomes:

- to provide support for the development of subject knowledge and curricula for MFL primary subject leads and teachers to consider when planning in the short, medium, and long-term
- to introduce subject colleagues to one another and to begin developing strong and lasting collaboration at county and local level
- to enable primary subject leaders to promote languages in their context and increase cultural awareness and understanding.
